Remarks

Enjoy tranquil nature, preserve and garden views from nearly every room of this meticulously maintained Glenn Lakes home. Boasting over 1700 square feet of living space, the split-plan layout is open and airy with 3-bedrooms and 2-bathrooms. The second bedroom was extended at the time of the original build, featuring two entry points for added flexibility. The master suite is exceptional and includes a large walk-in closet, private en-suite bathroom with dual sinks, a roman tub, and a separate shower. Situated in a prime location, this home backs directly onto a common area and preserve. Great pride in ownership is evident inside and out. Recent updates: AC, washer/dryer, stove, and dishwasher (2025); paver driveway, entry, and lanai (2023); roof (2021); refrigerator (2020). Hurricane Shutters help you feel protected from the storms. A short walk to the community park that has a pickleball/tennis court and setting to enjoy the sunset every evening. Located within a short drive to the area's finest beaches, dining, shopping, and the renowned IMG Academies, Glenn Lakes is a deed-restricted community with a low quarterly HOA of \$270.
